

Missouri "Alford" Cemetery Information.

A similar version of this was published in AAFA ACTION #69, Summer 2005. An updated version is in process, planned for the AAFA 2011 annual meeting in St. Louis.

This is not your conventional "cemetery list" with emphasis on Alford's. Rather this began as a conventional cemetery list and has been expanded significantly so as to be "information about Alford's" in the cemetery. It may contain "temporary research notes" that will be eliminated later.

Many of the notations were not in the sources cited, but were derived from other references listed and some may be incorrect. Rather than further promulgate incorrect or partial data we have made corrections and additions as we think are correct. See notations.

PLEASE! Help us with corrections and expansion.

Abbreviations, all of which may not be in this list, are:

- b. = born, d. = died, m. = married
- c/o = child of, d/o = daughter of, s/o = son of, h/o = husband of, w/o = wife of
- i/o = infant of, t/o = twins of, m/o = mother of, f/o = father of
- FHM = Funeral Home Marker, FD = Funeral Director Marker
- NotAp = Not applicable, Unk = Unknown

The "computed age" was obtained by having the computer subtract the year of birth from the year of death. Consider it only as close. If there is not a birth and death year the age is shown as 999.

From time to time information on birth and/or death place or marriage date and military enlistments may appear in this report. It is not a planned part of the display but if that information was available in the source then it was conveyed to this report.

Look for updates to this Alford Cemetery information from time to time at the AAFA web site www.alfordassociation.org

It seems that the name PASQUIN was somehow changed to PIKEY along the way. John B. Pasquin (I think his name was Jean-Baptiste Pasquin) married Harriett Alford first and I think she must have died (they are living with his parents in 1850 in New Madrid, MO (he 24, she 22). In 1860, John B. Pasquin's wife is Amanda, who I believe was Harriett's sister. Still in New Madrid, MO, he is 36 and she is 21 (which does not fit the 1834 birth date). After that I cannot find them anywhere.

There are Pikeys in the New Hope Cemetery in Marston, MO, but neither John nor Amanda is found in the listing online (the one I sent Gil) which was done in the 1960's.
