

## Missouri Alford Burial Information

*[The original version of this was published in AAFA ACTION #69, Summer 2005, Vol. XVIII, No. 1 p.26-81. While that version is static this online file will be updated from time to time.]*

Many of the notations were not on the "published" cemetery source list and some may be incorrect.

Several sources were used for some of the cemeteries and the list is not specific for each subject.

Cemetery location information was not included to save space but if you need to know the location then please contact AAFA.

Rather than further promulgate incorrect or partial data we have made corrections and additions as we think are correct. See notations.

This is not your conventional "cemetery list" with emphasis on Alford's. Rather this began as a conventional cemetery list and has been expanded significantly so as to be "information about Alford's" in the cemetery. It may contain "temporary research notes" that will be eliminated later.

PLEASE! Help us with corrections and expansion.

The "computed age" was obtained by having the computer subtract the year of birth from the year of death. Consider it only as close. If there is not a birth and death year the age is shown as 9999.

Abbreviations, all of which may not be in this list, are:

b. = born, d. = died  
c/o = child of, d/o = daughter of, s/o = son of  
h/o = husband of, w/o = wife of  
m/o = mother of, f/o = father of  
NotAp = Not applicable  
Unk = Unknown

There is one line of cross reference information in most of the records and it is primarily for the AAFA members who are working with one or more of the AAFA data files.

Branch is the Alford family branch; REF is the identification reference used in the main data base and others, BK is the identification number assigned by the genealogy programs such as Brother's Keeper, Obit refers to the issue of AAFA Action in which the obit was published and SSN is the SS number.

From time to time information on marriage or birth place may appear in this report. It is not a planned part of the display but if that information was available in the published cemetery record then it was conveyed to this report.

Look for updates to this Missouri Alford Cemetery information from time to time at the AAFA web site [www.alfordassociation.org](http://www.alfordassociation.org)

 only child of Houston Harry Buckley b. Mar 21 1901 who married Ella C. Brittin January 1,  
 1924. The dates are a good fit.
