

Alfords buried in Sabine Parish, LA Cemeteries

(Published in AAFA Action, #66, Fall 2004)

Many of the notations were not on the "published" cemetery source list and some may be incorrect.

Rather than further promulgate incorrect or partial data we have made corrections and additions as we think are correct. See notations.

This is not your conventional "cemetery list" with emphasis on Alfords. Rather this began as a conventional cemetery list and has been expanded significantly so as to be "information about Alfords" in the cemetery. It may contain "temporary research notes" that will be eliminated later.

Help us with corrections and expansion.

The "computed age" was obtained by having the computer subtract the year of birth from the year of death. Consider it only as close. If there is not a birth and death year the age is shown as 9999.

Abbreviations, all of which may not be in this list, are:

- b. = born, d. = died
- c/o = child of, d/o = daughter of, s/o = son of
- h/o = husband of, w/o = wife of
- m/o = mother of, f/o = father of
