

Florida Parishes Alford Cemetery Information.

02/06/2010

An earlier version of this data was published in AAFA ACTION Spring 2004 #64 pp 119-156, in support of the 2004 AAFA meeting in Baton Rouge, LA. What follows is essentially the same information with a few additions or corrections and in a different format. More improved and more complete parish listings will be provided in the future.

Where possible the Alford association has added the names of parents and spouses.

Not included in this report is information pertaining to sources and references. Those who have need for this data may acquire same by sending an email to alford_association@sbcglobal.net.

PLEASE! Help us with corrections and expansion.

Abbreviations, all of which may not be in this list, are:

b. = born, d. = died, m. = married

c/o = child of, d/o = daughter of, s/o = son of, h/o = husband of, w/o = wife of

i/o = infant of, t/o = twins of, m/o = mother of, f/o = father of, gs/o = grandson of.

The "computed age" was obtained by having the computer subtract the year of birth from the year of death. Consider it only as close. If there is not a birth and death year the age is shown as 999.
