

Texas "S" County Alford Cemetery Information.

06/07/2009

This is another in a series of Texas cemetery reports based on the research efforts of Carolyn Alford Saunders, AAFA #0673 who has taken on the job as Texas Cemetery Data project officer.

Where possible the Alford association has added the names of parents and spouses.

Not included in this report is information pertaining to sources and references. Those who have need for this data may acquire same by sending an email to alford_association@sbcglobal.net.

PLEASE! Help us with corrections and expansion.

Abbreviations, all of which may not be in this list, are:

- b. = born, d. = died, m. = married
c/o = child of, d/o = daughter of, s/o = son of, h/o = husband of, w/o = wife of
i/o = infant of, t/o = twins of, m/o = mother of, f/o = father of

The "computed age" was obtained by having the computer subtract the year of birth from the year of death. Consider it only as close. If there is not a birth and death year the age is shown as 999.

Look for updates to this Alford Cemetery information from time to time at the AAFA web site www.alfordassociation.org
