

South Carolina Alford Cemetery Information

This report contains data on all applicable counties except Dillon County which was published in AAFA ACTION #78, Fall 2007.

PLEASE! Help us with corrections and expansion.

Abbreviations, all of which may not be in this list, are:

b. = born, d. = died, m. = married

c/o = child of, d/o = daughter of, s/o = son of, h/o = husband of, w/o = wife of

i/o = infant of, t/o = twins of, m/o = mother of, f/o = father of

The "computed age" was obtained by having the computer subtract the year of birth from the year of death. Consider it only as close. If there is not a birth and death year the age is shown as 999.

Look for updates or more detailed information from time to time at the AAFA web site www.alfordassociation.org
