**DRAFT LIST OF "ALFORDS" IN THE 1880 CENSUS OF TEXAS**

**Data extraction for this unit was done by Janice Smith and it has not been subjected to the verification by the AAFA census team. It is an enhanced version which means we have added AAFA notes to some families.**

**For most subjects the age is expressed in years immediately after the name. In some cases - particularly with infants - the age is expressed in months in which case the age column is blank. The age is expressed in months in the next column. In 1880 the month of birth was recorded and it is shown next.**

**Birthplace is shown with the approved postal abbreviations for states in the U.S. Foreign places were abbreviated as follows: EN = England, SL = Scotland.**

**In 1880 the enumerators were required to ask about marital status. Responses are shown under 'M'- S=single, M=married, W=widowed and D=divorce.**

**Questions were asked about attending school and if the subject could read and write. If attending school there is an S entered. R or W means the subject could not read or write.**

**Parents place of birth is another new data item in 1880 and it is shown under FB and MB**

**Column headings not meant to line up exactly over the data but rather to give position relationship**

AAFA NOTES: He was living alone in 1900 born May 1845 in MS.

According to probate records he died July 27, 1910.

He was listed as "Shird Alford" in the Texas Confederate Pension files- A-14603. His pension application shows him born Winston Co. MS May 29 1845. He was captured in Choctaw Co. MS Dec. 30, 1864 and sent to Alton, IL prison Jan. 17, 1865 and released June 23, 1865.

We thought we knew him to be Sherrod H. Alford, son of Jacob and Melva Alford of Lauderdale Co., MS, but according to the BK file he, #5188, was born about 1816 in NC. We had not Alfords in Winston Co. in 1850.

AAFA NOTES: Subject is Ida Lorena b. Jan 13 1872.

This family settled permanently in Bowie Co but we have not been able to find the connection in Louisiana. They have been in Bowie Co. at least since shortly after 1850. This is not the Leroy Alford who was kin to Winfield, Hatch, etc. in Gonzales Co.

In 1870 Martha White was enumerated with the family. Lucille Merham says Mrs. Alford was Martha Ann White. She shows that during past decade daughter Mary Jane Alford married Ananices S. Bonham and Martha Sidney Alford married Lee Taylor.

The family has not been put in the BK files yet as we need to know what branch to connect them to. In 1900 son John L. is shown as John W. with wife Emily. He shows his father was born in GA - not LA as shown here.
