Comment: This is a record made and kept in England and the
purpose, I assume, was to keep track of Englishmen
living in the overseas colonies or rather plantations,
as they were called in those early times.

(If more space needed, use Over or additional sheets)

Note: Recheck data under "source", "name" and "facts noted" to
determine if these five questions have been correctly answered:
Who? What? When? Where? Why? (sometimes, How?)

Stick to facts as found in source material. Avoid guess-
work, opinion and personal conclusion in "facts noted." If
Comment or explanation necessary for own convenience or clarifi-
cation, put it at end of "facts noted" and head it "comment"
or other distinguishing mark, thus making it possible to
separate "record facts" from "fiction", at a later date.
