

**Known Descendants of
ANDREW JOSEPH ALFORD
1832 VA - 1878 MO**

This is a work in progress and is known to be incomplete and it probably has some error. Only two generations are published because the third generation was removed to protect the privacy of most of the living. We do have DNA from this branch of the family but cannot go far with it because of the lack of information regarding Andrew's father.

1. **Andrew Joseph Allford** #3468 b. Feb 29 1832, Rockingham Co., VA, (son of Son ?John? Alford #1549) occupation stone mason, m. Jun 20 1869, in Butler, Bates Co., MO, **Anna Aramantha Aminda Patterson** #3469, b. Jul 23 1843, Gaylesville, Cherokee Co., AL, (daughter of Alfred Patterson #5774 and Mary Gamble #5775) d. Aug 13 1918, Galena, Cherokee Co., KS, buried: Oak Hill Cem., Galena Cherokee Co., KS. Andrew died Dec 5 1878, Granby, Newton Co., MO.

There are several different dates for his birth - 1831 from 1850 Augusta Co. VA census, 1835- 1836 and 1839 as supplied by Curtis Eubanks. Previous versions use the date of Dec 29 1833. Jill Allford supplied the date use here: Feb. 29 1832 and specified as about. She credits the date to Curtis.

There is nothing to prove that John Alford had a son named Andrew - and if he did that it was the Andrew in the census. Circumstances suggest a relationship. Some of the descendants believe he was born a Dunbar and adopted by the Alford family.

In 1850 Andrew, age 19, was enumerated as a blacksmith living in the household of Charles Thurman 29 blacksmith, and his wife Betsy 31. Also in the household was James Nutty 48 shoemaker. It does not prove family relationship but he was enumerated the same day and listed on the same page as Robert Alford (Alfred), a farmer. John Alford 52, was enumerated the same day but listed on the previous page by the enumerator.

Andrew enlisted in the U.S. Army Jul 1, 1855 and was discharged Jun 1, 1860 as Pvt. Co. D., 2nd Cav at Camp Cooper, TX. He reinlisted that date and the 2nd Cav was changed to the 5th Cav. He was discharged in Washington DC, Jun 1 1865. He re-enlisted there Oct 28 1865 in Co. L 5th Cav. Three years later on Oct 28 1868 he was honorably discharged at a camp on the open prairie, 111 miles from Ft. Scott, KS. __Jill Allford.
