

**Known Descendants of  
BAILEY ALFORD & NANCY WILLIAMS**

*This is a work in progress. It is known to be incomplete and probably contains some error. Please use it accordingly. Generations six - eight were removed to protect the privacy of most of the living.*

1. **Ira Bailey Alford** #7163 b. Jul 15 1781, Franklin Co., NC, (son of Isaac Alford #5168 and Mary Alford #7096) m. Jul 24 1800, in Franklin Co., NC, **Nancy Williams** #7164, b. Jul 25 1780, Wake Co., NC, (daughter of Hickman Williams #13663 and Winna Clifton #13664) d. Mar 21 1863, Lawrence Co., TN. Ira died 1836-40, Lawrence Co., TN.

For more on him, his ancestors and descendants see Bobby Alford, AAFA #0669 "The Alford Family," (self published, no date). Some in this genealogy was taken from that source. Some of the data came from an undated typescript "Genealogy of John Rankin Alford Family" by Ursie Alford Uhl, daughter of John Rankin Alford, submitted by Marshall E. Alford, AAFA #0173. Also used as a source was Elizabeth A. Duncan AAFA#0366, "A Glance Back Over Our Shoulders." (self published, no date). Letters written in 1953 by Mrs. William G. (Edith) Cogswell and one written in 1955 whose author is unknown were also source for some of our information.

Baily or Ira were not found in the North Carolina censuses prior to 1830. He may have been living in the household of his father or may have been in one of those counties where the census was lost. 1830 found Baily and son Aley listed in the Lawrence Co., TN census with the following tabulations. Bailey: 1110101-0011001; Aley: 30001-00001

In 1840 the family was listed as "Alferd" and there were two households. One headed by Nancy would be that of Bailey who had died earlier. 0002-00001001. She apparently had a daughter plus two sons still at home, although the younger female could have been a daughter-in-law.

The other household was listed as J.W. Alferd but must have been a corruption of I.W. or Isaac W, They had one female slave age 10-24. The family tabulation: 210001-20001.

In 1850 there were two Alford households: Isaac W., which included his mother, Nancy; and E.H. (Eley Harrison) which you should see.

Alsey, Celia and the first seven children were enumerated in 1850 Calloway County, KY. He moved there from Lawrence Co., TN to operate a boat landing on the Tennessee River. He and some of the sons went to Texas in 1854. Celia and the rest of the family moved to Texas in 1855. She was enumerated in Freestone Co TX 1860 as the head of the household. In 1880 she was in that county living with son- Edward who had been with her in 1860.

### CENSUS HISTORY:

The following comes from a 1974 research composition by Steve Sloan. It was entitled "The History of Old Hico" and prepared for teacher, Mr. Davenport.

"In 1860 J.R. Alford brought his family to Hico from Freestone County, to which he had come six years earlier, from Kentucky. In 1875 J. R. Alford, along with 21 others, went before a board of nine doctors in Meridan, where he received a license to practice medicen (sic) in the State of Texas. 'Dr. Alford was also one of the few survivors of the Dove Creek Battle, in which rangers from several counties, including Hamilton, were badly beaten by a tribe of Indians who were fleeing Mexico.' The last sentence was credited to an unsigned research paper "The Story of Old Hico."

"J.R. Alford's main contribution was occasioned by a petition that was sent in 1860 to the United States Government asking for a Post Office, for the mail route went within twenty-five miles of Hico. The petition was granted in 1861. "As J.R. Alford was one of the most prominent men and was the best person fitted for the position, he was made Post Master," and given the honor of naming the town. The first part of the last sentence was credited to Juddie Martins, "Hico, Past Present, and Future" from "The Hico News Review" June 24, 1927. "In thinking of a name, his thoughts went back to his old home town in far away Kentucky, which was called Hico." Credited to

unsigned *ibid.* Thus he named the settlement Hico.

"The Old Hico Cemetery is located in a pasture on the property of Kal Segrest. Most of the graves are marked by a weather worn stone, or marked only with the telltale depression. Among the people buried in the cemetery are, the wife and son of J.R. Alford, Ike Malone, and the robbers who robbed Ike Malone. (An illegible photo bears the caption: "J. R. Alford, Born Sep. 14, 1841, Died Dec.20, 1876: located in the cemetery on Kel Segrest property. A partially obliterated annotation: 'J.R. born Jan 18, 1834- Died?') "

The following comments were in Ursie Alford's account.

John Rankin . . . moved to Calloway County Kentucky when quite young. His father, Aley, had a boat landing on the Tennessee River . . .

When he moved to Hamilton County he took a small stock of dry goods and settled on Honey Creek. He was later appointed post master and named the town Hico. In 1874 he passed medical examinations in Meridian and became a practicing physician.

When John R. Alford was asked to name the settlement on Honey Creek, he wanted an easy word to read and write, and he said the view of the country around there reminded him of those in Kentucky, so he chose "Hico." Hico, Kentucky, was in Calloway County, but it is now extinct. The meaning of the word was "turkey-buzzard," of Indian derivation.

J. R. Alford joined the Masonic Lodge in Kentucky, probably as soon as he was 21 (January, 1855) and the family came to Texas (Freestone County) in 1855, then he came to Hamilton County in 1860.

During the Civil War, J.R. Alford served as a volunteer in Capt. J.M. Rice's Company of Hamilton County, to protect the frontier families from the Indians. Probably the most famous skirmish was near San Angelo on January 8, 1865, and was called the Dove Creek Indian fight.

In the present Hico, J. R. Alford had drug stores twice (one burned) also in DeLeon (which he sold about 1898); then he continued to practice medicine in Hico for many years. Three of his store buildings remain in Hico, two of which have "J.R. Alford, 1892" in the door plates.

J.R. Alford was a member of the Odd Fellow Lodge (I.O.O.F.) for a number of years. Marshall, John, and Van were Odd Fellows. Aaron was a K. of P. Aley and John were Woodmen.

This year (1963) the Hamilton County Historical Survey Committee planned and raised money to erect a memorial at the location of Old Hico. Wording on the plaque is as follows:

"This site on Honey Creek marks the beginning in 1856 of the settlement of Hico. Earliest families to locate here were those of John Q. Anderson, M.A. Fuller, J.G. Barbee, James R. and Henry Fuller, Isaac Steen, Isaac "Ike" and Thomas Malone.

"In 1860, John R. Alford, a merchant, became the first postmaster.

"Rocks from the ruins of the old mill were used in the erection of this memorial."

Shirley Brittain Cawyer's "The Genealogical Study of James Brittain of Buncombe County, North Carolina" (Stephenville, TX: np, 1988) has John Rankin born in Hico, KY. [apparently an error]

The town moved over from the old settlement on Honey Creek (2 1/2 miles southeast) when the Texas Central Railroad went through the northern part of Hamilton County in late 1880."

**Eli:**

The following was extracted from "Portrait and Biographical Album of Warren Cty. Illinois" (Chicago: Chapman Brothers, 1886). From a section on Eli C. Johnston: "Previous to coming here, Nov. 26, 1857, in Greene County, his native State, he was married to Miss Amanda, daughter of John C. and Charena (Alford) Andrews, natives of Tennessee. Her father was a blacksmith by trade, and was born in Lawrence Co., Tenn, where Mrs. Johnston, wife of the subject of this notice, was born May 19 1839. She was four years old when her parents moved to Greene Co., Ind., where they resided until their death, that of the mother occurring in May 1860 in her 46th year and that of the father in 1864, when he was 52 years of age. Mrs. Johnston was the oldest but one of her parents' family, which consisted of three sons and three daughters. She was educated at Broomfield College, and resided with her parent, following the vocation of teaching and assisting the mother in the household duties until her marriage."

Wife was listed as Ronie in 1930 census, which would be 2nd wife. Elizabeth Duncan's book lists children as Jackie and Tommie with no dates. The children listed are from the census.

You need to add that Gillie Isaac was in Colbert Co. In 1930 when Gillie has remarried, all of the children are living in Shelby Co. Six are living with Marlene as head of household and Gillie Lee is married (wife Jacqueline) and also living in Shelby Co.

More complete names are listed in the 1920 census: Bonnie L. Marlene Gillie Lee Boyd Edmiston James Thomas Joseph Fouts (Foutz?) Maggie (Margaret?) Elma
