

Known Descendants of Jacob Alford b. 1738 VA

This is a truncated genealogy of a work in progress. The more recent generations have been eliminated to protect the privacy of most of the living. Frequent changes and additions are being made to the computer file but there will be only an occasional update on the website. Some work notes are embedded in the text.

AAFA members who need more recent data (including data on the living) for private use may obtain such a copy by sending an email to the Alford association. See contacts on the navigation bar at the top of most web pages.

Census, 1850, Bowie County, Texas

His name was sometimes spelled as Britton. In Muhlenburg Co., KY in 1830. He was identified as a land owner in Bowie Co. TX in 1839, 1840, 1841 and 1846. The family disappears from census records after 1850 in Bowie Co., but a B. D. Alford is on Tarrant Co., tax lists in 1863 and 1864. Two 3rd class land grants issues in 1841 were surveyed in Tarrant Co. in 1857 for B. D. Alford. The Tarrant Co. 1860 census was lost. Tarrant Co. TX records prior to 1876 burned so no marriage records are available prior to that time.

Martha: She apparently died before 1850 as 15 year old Elizabeth is the oldest female in the household.

Some of the data on his descendants came from Kay B. Young, AAFA #890

Per Donna Graves Ferrell AAFA #0658 speaking of Brittain D. Alford: "In a letter dated 14 July 1840, his brother James P. Alford wrote his uncle William in Ky. James asks to be written to at Fulton, Homstead, Ark. He says he is in Texas at the time of writing, and is thirty miles from his brother Brittain and William Hays. (he is their brother-in-law, he married Mary P. Alford)."

His obituary, which styled him as "Colonel," says he moved to Texas in 1836. In 1858 he moved to Tarrant County.

Need to verify that it was this James P. whose was listed as J. P. Alford on certificate #53045.

This is an obituary for Wiley from an unknown source:

Brother W.N.B. Alford, father of Rev. F.E. Alford, of the Tennessee Conference, died at his home, in Robertson County, Tenn., May 20, 1905. Brother Alford was born January 19, 1826, and was in his eightieth year at the time of his death.

In early life he was converted and joined the Methodist church, and lived all his life in its communion. He loved the Church, he loved all Christians; but he was devoted to his own Church. He was never happier than when the preachers visited him, and never too busy to spend hours in conversation with them. He loved to talk about religion. He had an experience and was not ashamed

to speak of it. His was a happy, Christian life. It was my privilege to be his pastor for three years, and frequently to be in his home. It was a truly Christian home.

Brother Alford s wife was Miss Dicey C. Bilbro, and to this union seven children were born, all but one of whom are living and members of the Church. Their father never accumulated for them a great estate, but he left them a better heritage; a good name, which is rather to be chosen than great riches. He was a great sufferer in his old age, and for four or five years was almost totally blind, yet he continued cheerful and bright. He had read his Bible much, and in his last sickness would repeat whole chapters. When the end came he was ready. There are no dark, chilly waters; all is bright before me, he testified, and, requesting all of his children to meet him in heaven, he fell on sleep. Dear old friend of my early ministry, we shall meet again.

Mary: She was Mrs. Mary Carney and by her earlier marriage had Elizabeth and Edwin.

Fountain died 1932, Robertson Co., TN, buried: Elmwood Cem., Springfield, Robertson, TN. An obituary for Fountain from an unknown source:

Retired Minister Is Killed by Auto; Once Held Pastorate Here

SPRINGFIELD, TENN., March 8 The Rev. Fountain Ellis Alford, 71, retired Methodist minister of Cedar Hill, was fatally injured this morning when struck by a

tourist while walking near his home. Mr. Alford was taken to a Nashville hospital where he died about 2 o'clock.

Driver of the automobile that hit the former minister was George E. Foster, of Warsaw, Wis., who described himself as a vice-president of an insurance company and a director of a bank there. He stopped after the accident but was arrested by Highway Patrolman S.B. Odom on a charge of reckless driving. This charge was later dismissed after a hearing before Squire J.S. Barlett of Springfield. Immediately following the dismissal of the charge R.L. Peck, Springfield attorney for Mr. Alford, filed suit against Mr. Foster for \$10,000 and attached his expensive sedan. Later the car was released after Mr. Foster posted \$3,000 bond.

Mr. Foster claimed the minister stepped in front of his car and he declared the accident was unavoidable. He continued on his way from Miami to Warsaw.

Mr. Alford was born in Wilson county but spent most of his childhood and young manhood in Robertson county. He joined the Tennessee Methodist conference in 1887 and for 31 years served in various pastorates, several being in Nashville. He was pastor of a church at Sparta, one in Waverly, and in Nashville filled the pulpit at Woodbine, Humphrey Street, South Street, Park Avenue and Carroll Street Methodist churches.

His last pastorate, at Carroll Street, was resigned in 1918 on account of impaired health. He took his supernumerary relation and since that time lived on his farm near Cedar Hill.

His wife, Mrs. Laura Matthews Alford, survives.

Funeral services will be held at the Methodist church at Cedar Hill sometime Friday. Thanks to Diane G. Weathers, AAFA #1162 AAFA has a clipping of the news article reporting his wedding and one reporting his death.

He was enumerated in 1860 Bowie County, Texas as an M.D. with 16 year old wife Josephine. Brothers Brittain D. and James P. Alford had been there in 1850.

If he was enumerated in the 1870 census we have not found him but the age of his children suggest he was in Texas until the late 1870's.

He appears in the 1880 census of Tulare County, California with a four month old son who was born in Texas. He continued to reside in Tulare County and was enumerated there in 1900 and 1910.
