

ALFORD GEORGIA TIME LINE

04/27/2009

We have been working on Alford time lines for years. We work in spurts-usually related to a specific state or branch of the family. As this version is being prepared we have not added to the file for months. We will be posting frequent updates for North Carolina for awhile.

The records below are listed in chronological order with the date appearing as YYYYMMDD.

We know this is far from complete. We suspect that it contains some error. Please advise us of events that you think should be added. Include as much information as possible. Please also advise us of errors you detect.

EXPLANATION OF EIGHT LINES OF INFORMATION THAT MIGHT APPEAR

1. Name, REF, Date, Location
2. Event
3. Other persons named or listed
4. SourceRef - many of these can be found in our AAFA sources file.
5. Remarks
6. Description
7. Question
8. Comments

1. GENERAL ALFORD Gen 1 GA BROOKS

2. Event: MILITARY/INDIAN

4. Reference: GABROOHIST__LMN

8. Other comments:

"That night, Gen. Alford came to us with thirty or forty men and took command of the forces. . . . Gen. Alford went over the river after the squad in Jones' peach orchard and I did not see him any more for two weeks. We were ordered back to Warrior Creek and Gen. Alford followed the Indians down into Florida and the Indians went into the Okefenokee Swamp and he gave them up."

COULD THIS BE A REFERENCE TO JULIUS ALFORD WHO WAS KNOWN AS THE OLD WAR HORSE OF TROUP COUNTY?

1. BENJAMIN ALFORD BEN775NC 1775 GA

2. Event: REFERENCE ENTRY ONLY - NO DIRECT GA ACTIVITY

8. Other comments:

Lynn E-mail 12/14/99:

BENJAMIN born 1775 NC (where did you get that date?)--probably son of William of Wayne Co. as he was listed as being in Jefferson Co. in 1808 in KINFOLKS OF WAYNE CO. NC. He is also probably the one who was in the War of 1812 (Pvt., 3, Few's). Is he the one who went to Twiggs Co. but is not listed in the 1820

census there? He is missing in 1830 but how was he related to the William and Wyatt found in Twiggs Co. then? Or are these the children of _____ and Sarah Alford who married Gabriel Coley, also all of Wayne Co. NC? Since BENJAMIN born 1820 GA (m. in Muscogee Co. and living there before going to LA) was born in Twiggs Co. GA according to the 1850 census, I suppose he must be the son of this Benjamin, BUT WHERE WAS HE IN 1830? Possibly his father died and his mother remarried? We have no record of any TWIGGS Co. marriages.

BENJAMIN born 1775 NC (second one) that was in Walton participating in the 1821 land lottery was really BYNUM, born 1787 GA. There is another time when Bynum is spelled BENJ. in records and I think it is when either Bynum or son Bynum Jr. died in DeKalb Co. DeKalb was formed from Henry Co. (where Bynum won land) and other counties in 1822. Bynum remained there until his death. He and Brittain were the only Alford's in Walton Co. in 1820.

1. WILLIAM ALFORD WIL734VA 1776-7? GA

2. Event: LISTED as Private

4. Reference: GA____MILI1979LDS

8. Other comments:

From complete roster of the Georgia Continental Regiment of Horse from A. McC Duncan, Roll of Officers and Members of the Georgia Hussars and of the Cavalry, we know that a William Alford served with this unit but we don't know when or for how long. From another source we know the Georgia Regiment of Horse began in 1776 and was disbanded in 1781. They were in engagements in Florida, Georgia and South Carolina. It seems possible that William was in Georgia early enough that all of his children could have been born in Georgia - notwithstanding Jacob saying he was born in VA in the census.

Copies of references sent to Cecil Alford to see if he can learn more.

8. Other comments:

Owen Alford was mentioned in the will of his father William. Census records for the 1820-1840 period show he might have had as many as 5 sons and 9 daughters. (Some males and females listed in those census years were not necessary sons and daughters) As early as 1982 Dave Price Jr. identified Owen's wife as Tabitha and listed most of the children now shown as theirs by AAFA. In 1989 Ron Head reported that Tabitha Grace was the wife of a Wilkens Alford and the children shown as Owen's were really those of Wilkens. Ron has land and estate records from Alabama to support Wilkens, Tabitha and most of the children. Note that Wilkens is not known to have ever appeared as such in Georgia records - especially the census. An Owen Alford of Butler Co. AL is another person - possibly even named Halford. Ron has no information on the probable parents of Wilkens Alford. There is no known information that proves conclusively that Owen Alford of Hancock Co. GA did not move to Alabama and use a different name. It's been done more than once. While some feel that Owen and Wilkens were the same person Ron believes they were different. Until there is sufficient evidence to prove two separate families AAFA will show them as one.

Re: Handy Alford and family

Message text written by Gilbert K. Alford

>I'm attaching an update on this branch. It's a WP file and I've made changes to cover most of your comments and have merged Fumey into the file.

After I get your next feedback I'll include it and add the children of Handy

that I missed from the Florida census and then post this on the web site as a work in process and ask folks to help us. I'll make it clear that this is not proven - is speculative in somecases - and should not be used as a final document.

Once it is there I'll announce it in the olnl.

Note that I did not pick up the two families, John W. and Thomas J, in Washington Co that you mentioned but did raise the question about them. Ditto for Matthew. If you really feel good about them being part of the family tell me and I'll do them in. I just can't get over the way this family was spread out and jumping around the state. I know about the land movement west and the land lotteries but it still seems impractical to me.

I do believe we are suffering from the so called 10% index error in the 1850 GA census. I wish we had someone who could scan the 26 or so reels of microfilm but that would never be possible. Would probably not be practical even with the new CD's they are coming out with.

You can remove the question about whether or not Avey is daughter of Daniel Lofley. She definitely is according to at least one Lofley descendant who has Bible records etc. for this family who also went to Jefferson Co. GA and may be why Needham and some of his family went there. Jesse Lofley was in Jefferson Co. GA by 1799. If they were grandchildren of Benjamin and the Lofleys lived next to them and Pitman Lofley was married to an aunt (Penelope), there were several connections. It is also possible that Fort Alford was related to this group--Benjamin Fort was a neighbor and prominent player in Wayne Co. matters. His wife was Patience Sherrard/Sherod. I believe it is possible that William Alford's second wife (Sarah, who was his widow) may have first been married to Benjamin Sherrard. I have been in touch with a descendant of Benjamin Sherrard and Rachel Fowler Alford (daughter of Fort by Hannah Goodson) and suggested the possible relationship with Sherrards and even a similar migration pattern from NC (I know Goodsons came from SC). I will see if I can find William Goodson listed on GA Tax Lists or do we already know where he was in GA?

Earlier thought that the Goodridge or Goodrich Alford of early GA was the son

of Julius Alford b. 1761. However he appears to still be in Franklin Co. NC at the 1830 census at which time his age was 80-90 making him born between 1740 and 1750. There was no Goodrich listed in 1790 but in 1800 Guthridge was 45 or older in Franklin Co. NC. In 1810 and 1820 there was no Goodrich listed in Franklin Co., NC and Wake Co was lost in 1810 and 1820.

We don't have most NC events in the timeline but we do need to see what, if any, land transactions mention Goodrich. The Franklin and Wake Co. tax listings we have list no Goodrich.

Re: TimeLine Update

DON'T KNOW FOR A FACT THAT HE WAS PRESENT BUT HE WAS IN TWO SOURCES FOR PULASKI CO. THAT I HAVE (BOTH RELATING TO THE SAME SUBJECT). ALSO A CAPT. ALFORD'S DIST. (MILITIA/TAXES? in 1815) IS MENTIONED BUT I DON'T KNOW IF THIS REFERS TO FORT OR HAYWOOD.

TWO PULASKI CO. SOURCES:

Pulaski Co. Administrators and Guardian Bonds, Dec. 1810-Mar 1825 (online)--7 Mar 1824 [should be 1814?; see below] -- Washington Lancaster and Haywood Alford, adms. of William L. Lancaster. Robert Thompson, P. Bryan, and James W. Taylor, securities for \$10,000. [Washington Lancaster was the Clerk of Inferior Court]

Early Court Records of Pulaski Co. GA, 1809-1825 by Lee G. Barrow, 1994--p. 209, Court of Ordinary Minutes, March 1814 (p. 13 of minutes)--"Ordered that Letters of Administration be granted to Washington Lancaster and Haywood Alford on the estate of William S. Lancaster, deceased, and that they be bound in the sum of ten thousand dollars and that a warrant of appraisement be directed to Joseph Sessions, Thomas Shepherd....."

p. 222, Court of Ordinary Minutes, Sept. 1816 (p. 49 of minutes)--"Ordered that letters desmissary be granted to the administrators of William S. Lancaster, deceased--Washington Lancaster, Haywood Alford, adms. that they and their securities be exempt from said administration."

p. 235, Letters of Administration (p. 10-11)--"GA, Pulaski Co., By their Honors the Judges of the Court of Ordinary for said County.

To Washington Lancaster and Haywood Alford--Greeting Whereas William S. Lancaster laste of the County aforesaid, died intestate.... Witness.. this 7TH MARCH 1814.

p. 264, Administrators, Executors, and Guardians (p. 25)--a chart showing same information as above as well as giving securities named in the other source. [Coleys, Trulucks, Sherrods and other Wayne Co. NC-associated names present, including Turner Coley, step-brother of the children of Sarah Alford Coley].

More old notes taken from Genealogical Abstracts From the Georgia Journal (newspaper), Milledgeville, Georgia, 1809-1840. "... 1815- Capt. Fort Alford, Twiggs County." An explanation might fall on where he actually lived in Pulaski. Twiggs was next door until 1912 when Bleckley County was created.

I found several Twiggs Co. publications from which we can try to determine who might have been there in 1820-- two different listings of the 1818 Tax Digest (one from HISTORY OF TWIGGS CO. GA, compiled by J. Lanette O-Neal Faulk and Billy Walker Jones, 1960 and the other from ABSTRACTS OF SOME DOCUMENTS OF TWIGGS CO. GA compiled by Eleanor Davis McSwain, 1972) list those present as FURNEY, WYATT and BRYANT Alford. Is this the same Wyatt who was in Jefferson Co. in 1812 and also lived there in 1820 according to the 1820 GA Land Lottery?? Could there have been two Wyatts or only one--the son of _____ Alford of Wayne Co. NC and Sarah _____ who married Gabriel Coley? Bryant appears to be the one who was in Pulaski Co. GA in 1820

(marriage) but is not listed on the Pulaski Co. census? Fumey went to MS (when?) where he may have been associated/living with Fort Alford. Wyatt is still in Twiggs in 1830 (see below). Another interesting note--according to second Twiggs Co. source above, neither Furney or Bryant owned land in Twiggs or elsewhere (according to 1818 tax) and Wyatt didn't own land there but owned a land lot (same amt. as given away in the land lotteries) in TELFAIR Co.! Did he purchase it or inherit it--since he is not listed as a winner in earlier lotteries? Telfair was formed in 1807 from Wilkinson and Appling Counties.

Lynn Shelley E-mail 12/14/99:

BYAS/BIAS of Jefferson Co. (1805-1820) is almost certainly also related to the Wayne Co. NC Alford and since we know of no relation to William, he must be a son of Benj. Sr. or Theophilus (only appears in 1790 census--son of William or Benjamin, Sr.??). Are we sure he is the same one in Washington Co.? When did he die and who were his "sons" (2 or 3 listed in census--but at least 1 born 1802-1804 and 1 born 1820-1825. Also a daughter born 1810-1820. This spread could indicate two wives, but we have no marriage for him at all. He had 74 slaves in 1820!!

Lynn E-mail 12/14/99:

BENJAMIN born 1775 NC (second one) that was in Walton participating in the 1821 land lottery was really BYNUM, born 1787 GA. There is another time when Bynum is spelled BENJ. in records and I think it is when either Bynum or son Bynum Jr. died in DeKalb Co. DeKalb was formed from Henry Co. (where Bynum won land) and other counties in 1822. Bynum remained there until his death. He and Brittain were the only Alford's in Walton Co. in 1820.

Email Lynn Shelley 02/20/2000 HANDY ALFORD b.1794 NC and Church Record

I was just looking back through the data we have for Handy as I found a FGS in some HALFORD material a local lady gave me (her Dicy Alford/Halford married Wm. Kelley 1795, Rutherford Co. NC so I guess she was researching Diceys??).

Anyway this is what the FGS says:

Children of Handy and Dicy Gardner: [has all children born Dooly Co. but this is not correct since they married in Columbia in 1823 and were in Houston Co. in 1830 and not in Dooly until sometime between 1830 and 1840]

William A. Alford born Oct 30, 1824, died May 15, 1864, Columbia Co. FL;
married Gatsy Truluck, Sep. 1, 1847, Leon Co. FL

Mary Alford born Oct. 30, 1824, died Aug. 23, 1884, Columbia Co. FL; married
Jason Truluck

Hannah Alford born 1826, died 1860-63, Columbia Co. FL; married Feb. 7, 1850,
Leon Co. FL, Easom Rowland

Elvira Alford, born 1827, died Aug. 7, 1892, Columbia Co. FL; married Feb. 10,
1848, Leon Co. FL, James Doyle

Dicy Alford, born 1830, died aft Jun 1887, married John Rowland
Evaline J. Alford, born 1832, died cJun 1885, Columbia Co. FL; married Elias
Osteen

Jason Alford born 1834, died ? [after 1903, see CSA pension], married Miss
Peade

John L. Alford, bom 1837, died Oct. 1862/1865, Bardstown, KY [Civil War?]

Miles K. Alford, born 1839, died 1906 or 1916 [another source says Oct. 1,
1900], Levy Co. FL; married Louisa Peade [maybe Lucinda? or both?--IGI has
1856 for marriage to Louisa and Jan 20, 1870, Manatee Co. FL for marriage to
Lucinda--Lucinda listed as widow in CSA pension]

From FL CSA Pension application data:

Jason L. Alford A11061, 9th Regt. Inf., Hillsborough Co. FL, 1903, 19 pages

Miles Alford A11754, 9th Regt Inf., Lucinda _____, Levy Co. FL, 1899, 8 pages

[see other message about FL Pension Records]

Most (if not all but the marriage dates which were from Milt and CSA pension data) of this was in ABOUT ALFORDS #26 back in Winter 1989, p. 11. Obviously you either have a copy of this same FGS or the person who sent you the info had a copy of it (it was from the LDS Library and had been submitted by Jane Arnout with information from Annie G. Jones, great-granddaughter of Dicy Gardner (probably a child of her FLEMING marriage, Jan 22 1820).

What I just realized is that the third marriage sent by MILT is not from this family. Do we know where she fits in? Her husband James Lee served in the Civil War and she must have applied for a widow's pension [see FL pension info in another message--I guess in 1907, unless that is the date of his application and hers was later?]. There is no one who would qualify as Miss S. E. in Handy's family and anyway, she was "of Goldsboro, NC [Wayne Co.] " at this time which was in 1859. I don't find any Susan Alford in Wayne Co. NC in 1850 and in 1860 the family that is in Goldsboro (which is probably the right one) was that of William G. Alford who was in Sampson Co. NC in 1850. They had a Susan who was 15 in 1850, so would have been about 24 in 1859, but why would she have married in Florida?? I don't have an 1860 FL census (or if I do, can't find it). Would any of her brothers have gone to FL by 1860? I doubt it as they were all too young.

Lynn Shelley E-mail 12/14/99:

BENJAMIN E. ALFORD, born 1806 NC, was probably the son of BENJAMIN (not William as you suggest--William died by 1800) Alford Sr. of Wayne Co. NC who appears there in 1810 but who knows what happened to him (died or moved to GA)? Benj. Sr.'s WIDOW (Lucretia Edwards, according to will of Lodwick Alford of Wayne Co. NC) participated in the 1821 Land Lottery in JEFFERSON CO. (but not on census) but does not appear in the census extractions we have until 1840 (COLUMBIA CO.)?? Guilford is probably Benj. E.'s brother and I just found an entry for GUILFORD AFRED [sic] in the 1821 GA Land Lottery--he was in Wilson's Militia Dist. of Columbia Co. and won land in Monroe Co., Lot 163/Section 15. Do you think Benjamin E. had a third marriage in 1854 to Caroline Shanklin??

E-mail Lynn Shelley 02/28/2000 Re:1840 GA Census

A note about the 1830 GA census--Thomas in Gwinnett Co. GA--in 1830 Indian Lands in northwest GA were "attached" to the five bordering counties "for judicial purposes" so that any whites in these Indian Lands were enumerated as being in the county closest to that area. This Thomas was in Cherokee land in what by 1840 became counties (maybe we could narrow it down but I don't know and don't know if it would serve any purpose) of (going from northeast corner to Gwinnett Co.) Dade, Walker, Chattooga, Murray, part of Floyd, Cass (later Bartow), Gilmer, Cherokee and part of Forsyth. Since this Indian Land was near TN, NC and SC, it is difficult to say where he came from and we don't know if the Pinkney Alford in 1840 was related or not. He may have moved west with Indians (if he was married to one) or his land (leased?) could have been taken away with the Cherokee Land Lotteries. So we don't know where he came from or where he went at this time.

William and Elizabeth has several children, one being A. J. (probably Andrew J.) Alford. The family was enumerated Harris Co. GA in 1850 and 1860, in Kemper Co. MS in 1870 and White Co. AR in 1880.

A. J. wrote a letter in 1869 from Mississippi addressed to C. L. Hadley and addressed him as cousin. In 1900 A. J. wrote from White Co. AR. He mentioned Uncle Marte and Aunt Lucy Medly saying she was the sister of Bat Medly.

William had a daughter named Phada Alford or Fada Alford or Ada Alford...

4) Bryan/Bryant Alford--Pulaski/Randolph may or may not be the same person but probably is since he is the one still found in Randolph in 1850, the same one who married Ala Morris in Pulaski Co. in 1820. Bryan Alford of Pulaski Co. won land in Fayette Co. in the 1821 Land Lottery SO IN WHAT NON-ALFORD HOUSEHOLD WAS HE LIVING IN 1820 or was an Alford living in Pulaski Co. in 1820 missed? None are listed as being from there in the 1820 Land Lottery (winners list). Since he is still in Pulaski in 1830, he must have sold his land lottery land. I need to look into this also but the statement made of "the Alford path across Georgia" has to be modified when one considers the land lotteries. They could take one far from the beaten path. Will investigate him more later. A person with the same name was on the 1818 tax list of Twiggs Co. GA with Furney and Wyatt Alford (brothers from Wayne Co. NC). Also suspect some association with FERRELLS since that was the first name of at least one of John Ferrell's grandsons. BYRANT/BRYAN was definitely a name found in neighbors of the NC Alfords.

Email: Lynn Shelley 02/28/2000 Re: 1840 GA Census

5) George W. in Troup Co.--this is a real problem for me. According to our marriage list/Troup Co. marriage records, George W. Alford married Jane Piper in Troup Co., Sept. 26, 1839. But WE have Jane Piper as the wife of Jephtha's son James Richard and then his children reflect a marriage date of 1839 (first child Welborn's birthdate is questionable because GEORGE WASHINGTON ALFORD was born Feb. 22, 1840, which is itself only 5 months after the marriage date AND there is no James or Richard in the 1840 Troup Co. census, so was James Richard still living with Jephtha? Probably, but how can we explain the marriage record with a George W. instead of James Richard? Jephtha has 5 sons living at home in 1840 and that is all we have assigned to him yet there is a GEORGE W. on the same page. Was he also a son? Did the court recorder who transcribed the marriage records copy them wrong and Jane Piper was the wife of James Richard and George W.'s wife somehow got left out--i.e. the two marriage records got mixed together as one? ALSO in the genealogy under George W., son of James Richard, it says he spent his early life in SC. WHY when his father was in Carroll Co. GA all that time? And where did that come from as he is shown in 1850 and 1860 as being in Carroll Co. and married there (to Sarah Frances Irvin) in March, 1860. Another possibility exists and that is could James Richard and George W. have been twins or brothers close in age; George died soon after the marriage and James Richard married his brother's widow. BUT why wouldn't marriage records reflect that? And why was James Richard's first (or second?) son named George Washington unless that was the name of Jane Piper's father? DO WE KNOW FOR A FACT THAT JANE PIPER WAS THE WIFE OF JAMES RICHARD? Her name was Jane but was her maiden name given or implied by actual records? Goodridge/Guthridge, son of Jephtha married Mary Richardson in Troup Co. in 1844--Gil, what does your note in the BK file mean--"It is said that he married Mary Richardson, but the dates and census data just do not match." ?? The date of birth and marriage date are fine; he is just missing in the census data. Elizabeth, also dau. of Jephtha, married James W. Richardson, brother of Mary Richardson, in Troup Co. also in 1844. They (James Richardsons) are near Jephtha in Carroll Co. in 1850.

The George who was in Marion Co. in 1850 could fit agewise (15-20 in 1840 and 27 in 1850) but his marriage to Mahany Eliz. Page was not until 1847 in Upson Co. so this doesn't fit either (the movement from Troup to Upson to Marion??WHY?). Whoever the 1840 George was would probably be sticking close to home in 1840 unless he was an orphan as he was only 15-20. AND HE IS THE ONLY ONE ON THE SAME PAGE AS JEPHTHA and appears to be newly married??

Lynn E-mail 02/28/2000 re:1840 GA Census

Lucretia in Columbia Co. GA was the widow of Benj. Alford of Wayne Co. NC, brother of Wm. Alford who died c1800. Her maiden/previously married name was EDWARDS. She (listed as a Rev. War widow) took part in the 1821 Land Lottery from JEFFERSON Co. but I don't know why she was not listed as being there in 1820. Perhaps she was in the area of Columbia Co. that was lost, perhaps living with a married daughter, perhaps missed. In 1830 she is also missing so the last two could also apply. She may have a second wife of Benjamin and she may have been married before. Benjamin may have also come to GA as nephew Lodwick in his 1815 will (back in Wayne Co. NC) mentions land left in his care by Benjamin. This will is also what named Lucretia as Benjamin's wife and stated her maiden name. They were listed in Wayne Co. NC census records through 1810.

3) Mary in Jefferson Co.---don't really know this one. Thought she could have been Avey Lofley Alford, widow of Needham Alford at first, but he is listed as still being there in 1845 (but died before 1850) SO WHERE IS HE IN 1840?? and where is his widow in 1850 (son Axiom in Houston Co. in 1850 as A. S.). Also Avey was born 1780-1790 and this Mary was born 1800-1810 so she is the right age to be a widow of one of Needham's sons, but she is an unknown at this time. Knowing the names of Needham's sons from the Austin TX probate (and he married 1806) maybe we can guess whose wife she might have been once we find the rest of the family in 1840 (if we do) and/or determine the birth order by finding them in later census records.

SOMETHING IS NOT RIGHT HERE. I think we have the wrong John matched to Susan. Did he marry her at age 55 and she at 53 and then she have Edna? Perhaps too much has been drawn from the 1850 census and a marriage list. In 1850 Edna L. Cane, age 27, along with Elizha Cane 23, were enumerated in Hancock Co with Susan Alford 62. Our marriage list shows that a John Alford married Susan H. Temple in Hancock Co in 1841 and that Ann Alford married Elisha Cain May 15, 1850. Maybe Edna was a daughter of John Alford by some previous marriage we don't know about. Or- maybe the Susan he married was not Susan Temple.
