Dear Ida,

We just received your card today advising of the address change to Louisville. Thanks for sending it.

Unfortunately we had not been advised that you moved to Austin- your last address with AAFA being the San Antonio address. That was where your last quarterly was mailed. It was returned with \$1.24 postage due with the forwarding address in Austin but with the notice that the period of forwarding had expired.

We repackaged it and sent it out with another \$1.24 postage to Austin. If your forwarding order there has expired it will be returned here with another \$1.24 postage due. When it does I'll repackage it again, affix another \$1.24 postage and send it on to Louisville.

We have had problems similar to this before but I suspect you can claim to be the record holder for having received the quarterly which required the most postage for delivery- maybe as much as \$6.30.

I've posted your address change here and sent in on to the secretary via e-mail. You sent the address change to the correct AAFA address but should you ever need to contact the secretary who maintains the membership files and also mails the quarterlies his address- in Mesquite, TX is on this stationery. If you don't get the Spring Issue from Austin or me in the next couple of weeks let him or me know and we will send another. Should you wish to contact the treasury on any AAFA financial matters her address is not current on the letter-head. She is now at 981 Larkspur Place, North; Mount Laurel, NY 08054.

Thanks again for advising us. Let me know if there is anything else we can do for you.

Until I received your Email I did not realize that you were still  
looking for our ancestors before 1902. You will not find any..... Our name  
was changed to Alford but we have been Alfords` for approximately 100 years We  
are so pleased that our "Alford" name will go on. My brother Henry S Alford (  
who is also a member) just had a new grandson . We are pleased because we ARE  
Alfords` and proud of it.

I hated to think of such a good organization, which my brother and I are proud  
to be a part, taking time to look for something that does not exist

Are we to be drummed out of the corps???????
