I, or we, have read the proposed constitution and by-laws of the Alford American Family Association and are generally in agreement with them and agree to support them to the best of our ability. (Recommendations for change may be enclosed)

We have enclosed herewith an ALFORD FAMILY WORKSHEET which has been completed on our Alford line, or the line that leads to our Alfords, to the extent that information is available to us. We understand that the association will try to help us learn more about this family. We agree, that if at a later date if we are asked to complete a pedigree form, ancestor table and/or family group records, we will be happy to comply to the extent that we have the information.

I, or we, would consent to serve the association in any of the positions circled on the list below; should I/we be nominated, appointed or elected. (Circle as many as possible and number preferences.)

We have a personal computer which will be used as possible in our service to the Association. The equipment and software we have is the reverse side of this form.

ANY OF THE FOLLOWING MAY BE SUBMITTED/REVISED AT A LATER DATE.

For the first meeting, which we understand will probably be in 1989, we suggest that the following date and location (city) be considered (include building if there is one in mind)

As the Alford family motto and/or logo we submit the following (Use reverse side of page if needed):

From excerpts of Hayden Alford's book, I learned, and quote:
"The name, ALFORD, had its origin among the Pagan Saxons of Wales, about 700 A.D. and means "A Giver of Bread". Would this be an idea to follow through on? Over

We recommend that the Family Divisions Committee consider dividing the family as follows: (use reverse side of page if needed)

We have reviewed the proposed constitution and by-laws and suggest the changes listed below and/or on the enclosed page. (Every thing from name down is subject to change.)

Should the name ALFORD be set out a little more separately from the rest of name? Seems a little awkward to say. To reverse to AMERICAN ALFORD FAMILY ASSOCIATION doesn't twist my tongue. You might have had a reason for use, as is, just explain to me. I will keep working on it.

* Motto and/or Logo: I would like to know about the Coat of Arms of ALFORD FAMILY.
The interpretation of same, etc. Could that be used?
