Membership Application Form

Although it was established primarily for Alfords (and spelling variations), Alford descendants, and Alford kin, membership is open to anyone interested in the family.

Once an AAFA member, always a member; and membership is for husband and wife when applicable.

Cost of membership is \$5 to cover the cost of processing membership. There are no dues.

Complete this form and mail it along with a check for \$5 to the AAFA treasurer: Robert D. Alford, 11115 Fall Breeze Drive, Houston, TX 77064-4817.

It is important that you also send a pedigree report or something that traces your lineage from you back to your earliest known Alford when applicable. Include when known full names, complete dates and places.
