Dear Cousin -

Here is \$10 and I hope I am not in arrears. Also hope I have not missed anything.

My apologies for not being more responsive to your requests for information. I was gone four months on my sailboat and when I got home in late October, I had a lot of fence mending to do. Now hope to get back to family research and try to solve some of the riddles.

You might want to see if my brother is interested in getting the quarterly. His address is;

W. Leorus Alford
201 Monk Street
Sylvester, Ga. 31791

Also my niece who is quite interested in family history, over.

The address is:

Mrs. Caroline Chambliss
4253 Verona Avenue
Jacksonville, Florida 32210

Hope you had a good Christmas -
Happy New Year to you and
Mary -

Sincerely -

Wick Alford
