

## Alford Marriages in Louisiana

*[The original version of this list was published in AAFA ACTION #64, Spring 2004, Vol. XVI, No. 4. Updates, as required will be provided here. Join AAFA and receive the outstanding quarterly publication with more timely presentation of important Alford data.]*

This is surely the largest and most complete listing of Louisiana Alford marriages ever compiled. However it is not complete. Only those records which contained a parish and some date are included. There are many other marriage records of Alford persons but there is no date or no place. The names are spelled, for the most part, as they were in the source material. There is some apparent problem or conflict with some of the records and those are marked with a ? by the name of the spouse or the Alford. The best example of this is Henry Alford who married Mary Jane Labray Sep 19 1866 and Mary Jane Lebre Jun 9 1871. In some cases we have both married name and maiden name for spouses who were previously married, but we don't know which is which. They are usually shown with both names separated with a / .

This list should not be considered as your source for documenting your genealogy. Use it only as a guide or index for further research to obtain a copy of the marriage document. We believe most of what is here is correct but with a list so large there is bound to be some error.

You can help us expand and improve on this marriage list in several ways. (1) Expand upon or correct a name, especially the initials, (2) complete the date where we have only a year - apparently taken from a marriage index, (3) provide information on additional marriages. If you plan to assist with LA marriage information and need an especially tailored list just tell us what you need. For example we can send a list of records of LA persons who appear to have married in LA for which we have not date or place thus not in this list. We can provide a list arranged by parish or spouse. We can limit lists to just a particular set of parishes as best suits your need.

Many of our cousins married across the state line in Mississippi, Texas or Arkansas. An Arkansas marriage list was published in AAFA ACTION #60, Spring 2003, Vol. XV No. 4, pgs 99-108. Arkansas Alford Marriages. The Texas marriage list was published in two issues: AAFA ACTION #45, Summer 1999, Vol. XII No. 1, pgs 45-58, Texas Alford Marriages, A-L and AAFA ACTION #46, Fall 1999, Vol XII No 2, pgs 51-59, Texas Alford Marriages, M-Z. A Mississippi Alford marriage list has never been published by AAFA. One will be published in the special MS issue the year when Mississippi is scheduled for an AAFA meeting - if not before. If you would like to help us compile the Mississippi list let us know and we will send a list of what is in the computer.
