Alford, II, in the Houston County History says Francis Alford was born in England. That is not correct. His father Halcut Alford was born in Georgia in 1788, son of Julius Alford and Rebecca Jackson. Julius, who served in the Revolutionary War, was the son of Lodwick Alford. Lodwick was the son of James Alford born about 1687 in Virginia. It is probable that James was the son of John Alford.

Unknown**. Lodwick died 1800, Franklin Co., NC. There has long been a family tradition-reinforced by some DAR records- that Lodwick married a Rebecca Ferrell. Nothing has been found to support this idea. A North Carolina court record lists his wife as Sarah and some believe he married, Sarah the widow of his brother Goodrich. It appears that the daughters of Goodrich were mentioned in Lodwick's will. There is nothing to indicate the mother of any of the children other than William, Elizabeth and Jacob whose births are recorded in St. Peter's Parish, New Kent County, VA.
